SAUVIGNON BLANC

2011 • 14.1% • 400 cases

This traditional Sauvignon Blanc begins with a light mineral nose, followed by citrusy notes of tangerine and Kaffir lime. Refreshing & crisp as a spring day, it ends with a pleasing & slightly herbaceous finish.

MUSCAT (*dessert*)

2010 • 15.5% • RS 7% • 8 cases

Made from estate grown Muscat orange blanc grapes – our first ever Muscat is a lovely sweet dessert wine with notes of honeysuckle and apricot. Like revenge, it's best served cold and is just as sweet.

MUSCAT (*off dry*)

2011 • 14.2% • 80 cases

Our 2011 Muscat is semi-dry with a lightly floral nose. Musky and warm, it has overtones of white peach and orange blossom while ending with a surprisingly crisp finish. Great with asian foods.

GRENACHE

2010 • 14.1% • 25 cases

This delightfully light and luscious Grenache is in the Spanish style. Soft with a hint of plums, it ends with an earthy & floral note of dusty roses.

ZINFANDEL

2010 • 14.1% • 160 cases

A traditional Zinfandel at its finest! An intense blackberry nose slowly yields to licorice and black cherries. Brambly, and with ample tannins, it's a great accompaniment to any barbeque.

PRIMITIVO

2010 • 14.1% • 203 cases

This Primitivo carries notes of plums, cherries, and allspice. Sophisticated flavors & soft tannins blend harmoniously to linger decadently on the palate while being remarkably light & refreshing.

6 | 19

SYRAH

2010 • 14.1% • 121 cases

Smooth and supple, this Syrah is redolent of raspberry, vanilla, & black tea. Medium tannins frame and balance its wonderful smoky and teriyaki nose for a subtle lingering finish.

PETITE SIRAH

2010 • 14.1% • 99 cases

The deep rich color is just a hint of the intense dark fruit notes in store. Cassis, cherries and pepper are underscored by traces of powdered Dutch cocoa and floral notes of violet – while the big well-balanced tannins lead to long and persuasive finish.

VOILÁ

2010 • 14.1% • 219 cases

This is the second vintage of our southern style Rhone blend. A sophisticated and subtle wine that will rise to any occasion, it begins with hints of cinnamon, allspice and pekoe tea, then gives way to floral notes & a distinctive, diffused earthiness.
